The Trump administration is close to allowing Anthropic to restore access to its powerful Fable 5 model, which has been offline for 15 days because of [security fears](#) by the government, a source close to the situation tells Axios.

- Insiders expect the administration's limits on Fable 5 could be lifted as soon as this coming week, the source said.
- A second source said conversations are expected to continue over the weekend, and Anthropic expects to restore Fable
