Alex W. - Orlando, FL

Pro-grade device!

Great clarity in summaries and the transcripts are spot on most of the time. I wish I had this tool years ago. It saves a lot of time!

10/12/2025

Amelia D. - Boston, MA

Perfect for multitaskers

Pocket keeps getting smarter the more I use it. Definitely a productivity booster. I use it daily and haven't found a downside yet.

Pocket for Enterprise

Why isn't Pocket just an app?

Pocket was created to remove the friction, limitations, and interruptions that come with phone apps. By separating the recording device from your phone, Pocket can capture your thoughts instantly without screens, taps, incoming calls, or missed moments.

How do I start a recording?

Pocket

Creating technology that makes intelligence personal and present.
