

 Выбрано для стартапов Google в области
искусственного интеллекта

THINK IT. ACTION.

Первая в мире интерактивная
клавиатура

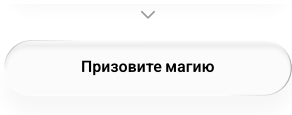

Панель действий> Пробел

Больше не нужно переключать приложения. Введите свое намерение в любом месте,
длительное нажатие на панель действий, затем вызовите magic.

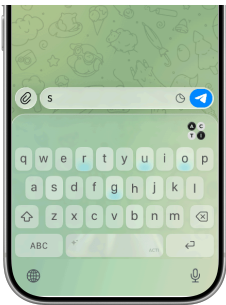

Введите свое намерение

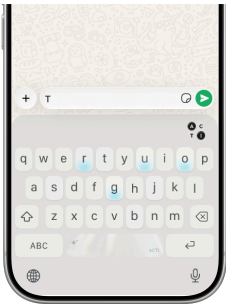

ACTI

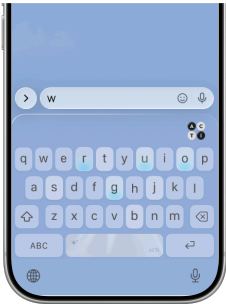

Триггер
искусственного
интеллекта

Summon SF итальянские
рестораны.

Мгновенно делитесь ссылкой
на свое местоположение.

Drop World Cup schedules.

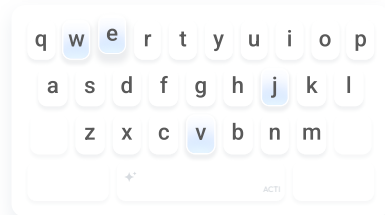

Choose Your Arsenal.

Built for the obsessed. Equip the **exact skill set** tailored to your subculture, and execute at the speed of thought.

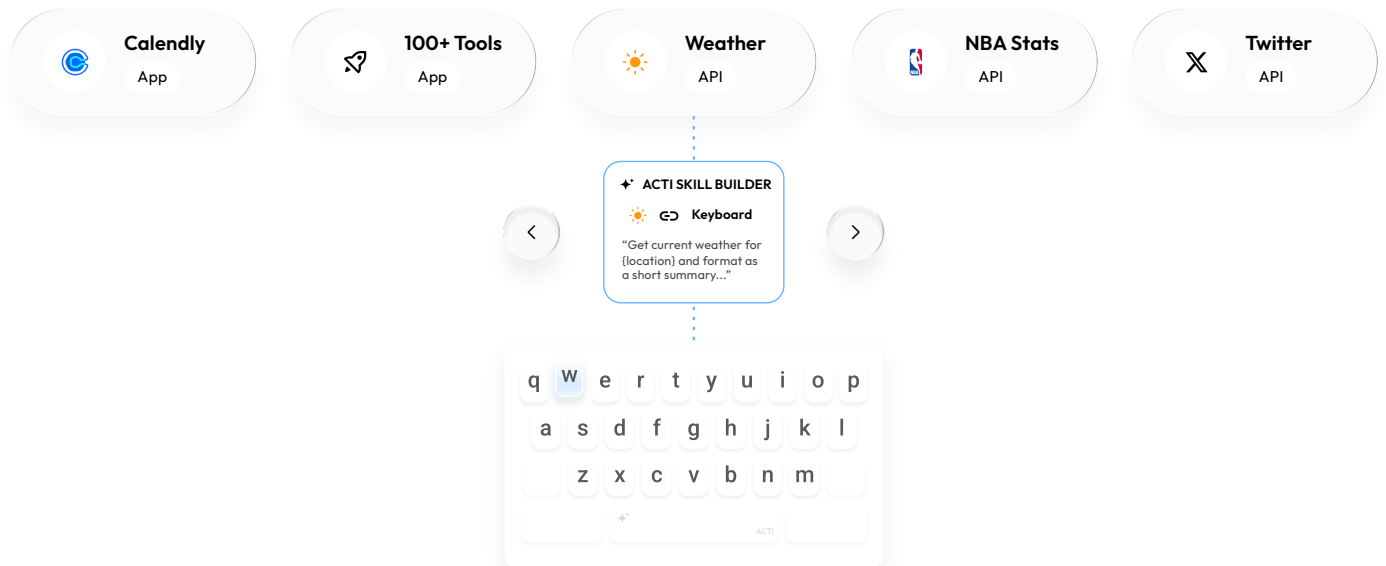

Emoji Cipher

Turn plain text into a playful emoji-style message.

Wire Your Ideas.

Mash up **APIs and applications** to forge custom Skill Keys. Deploy your creations and extend the Acti ecosystem.
