

gusto

Provide more info to run payroll on time

We need some more information to make sure your account is good to go. This form is encrypted, so you can enter and upload data securely.

Info: Here's a note from our team:

We need you to share some more information about your business. This info will be used to keep your business secure and ensure that our data about your company is correct. Please make sure to do this soon since it may otherwise impact your ability to run payroll.

Please provide us with a copy of a current, valid government-issued photo identification document (such as a passport or national ID card) for Сергей Овчинников (Sergey Ovchinnikov), clearly showing his full legal name, date of birth, and photograph.

or drop your file here

Please provide us with a detailed description of Сергей Овчинников's (Sergey Ovchinnikov's) role and relationship to the company. Please be specific, avoiding vague or one-word answers such as "employee" or "contact," and include whether he holds any ownership interest, signing authority, or an officer/director position.

Required

Please provide a detailed description of the specific software products or services Василий develops, builds, or provides, including the primary use case and intended application of these products. Please be specific, avoiding vague or one-word answers such as "software development" or "IT services."

Required

Please provide a list of the types of clients your company serves, including the industries, sectors, and countries in which these clients operate.

Required

Please confirm the physical location and address where your company operates.

Required

Please confirm whether your company, its owners, or any of its employees currently provide or have previously provided products or services to any government agency, state owned enterprise, defense-related entity, financial institution, or telecommunications provider, in any country.

Required

Please provide a copy of your company website, marketing materials, or any public-facing documentation describing your products or services.

Required

Do you have anything else you'd like to share?
