Full-Day, In-Person Executive Forum

Section's Enterprise AI Transformation Summit

A private, insight-packed bootcamp for executives
turning AI into enterprise value

September 16,
2026
9:00a.m. to 6:00
p.m. ET

Manhattan,
New York City

50 executives
Invite-only

Who should attend

This forum is designed for enterprise executives responsible for driving AI transformation, including:

- Heads of AI and AI transformation for Fortune 500 companies
- CHROs, COOs, CIOs, CTOs, CDOs, and functional C-suite leaders
- SVPs of innovation, data, digital, and automation

Get real insights from the front lines of AI, from leaders like:

No hype or vendors.
Just a full day of insight-packed
sessions.

You'll leave with

1

Connections
to enterprise
AI
executives
tackling the
same

2

Frameworks
for turning
AI inference
into value
faster than
your
competitors

3

Real, hard-
won lessons
from Fortune
500
organizations
on the front
lines of AI

challenges
as you
